

Victory Junction Gang Camp Bear Sewing Directions

When finished each bear will be 17 inches in height.

Each bear requires 5/8 yard of fabric and 1-2 lbs fiberfill

Cut along outside lines of pattern pieces and use 1/4" seam allowances throughout

We ask that you do not add faces to the Victory Junction Bears in order to maintain a similar look for each bear.

Head

1. With right sides together, stitch both ear (A) pieces along unnotched edges. Turn inside out. If using unquilted fabric, stuff ears with a small handful of fiberfill. Bring notches together to make a small pleat (fig 1). Baste. Set aside.
2. Sew head side fronts (C) to center head front (B), matching notches and points. Sew from point a, matching and pivoting at point b.
3. Match right sides of head side fronts together, sewing from point a to point c, forming chin.
4. Baste ears in place to head front with pleat, matching seams and facing into center of head.
5. Sew head side backs (E) to center head back (D), matching notches.
6. Match head front section to head back section at notches and stitch.

Fig. 1

Fig. 2

Legs

1. With right sides together, fold and stitch each leg (J), matching notch (fig.2) Reinforce point and clip seam at X.
2. Pin and stitch bottom foot (K) to leg, matching notches, and match dot to leg seam. (fig.3.) Hint: Stitch with bottom foot face down on plate of machine. Turn legs right side out.

Arms

1. Place right side of top arm (H) to right side of bottom arm (I), matching notches. Stitch, clip inside curve and turn.

Body

1. With right sides together, stitch center front seam on body fronts (F) matching notches.
2. Stitch center back seam on body backs (G), matching notches. Leave open between large dots.
3. Stitch body front to body back at side seams, matching notches. Stitch crotch seam. Leave body turned wrong side out.

To Assemble Your Bear

1. Pin and stitch leg to body, matching notches and dots to seam. Ease to fit.
2. Pin and stitch arm to body, matching notches and dots to seam. Ease to fit.
3. With right sides together, pin and stitch head to body, matching dot to center back, seam and point c at chin to the center front body seam. Hint: Begin stitching at chin.
4. Turn right side out through opening in back seam.

Stuffing

Stuff bear, using small amounts of stuffing. Stuff evenly but pack tightly. Try to avoid lumps. Slipstitch opening closed.

To make a tie:

Cut a piece of fabric 2 1/2" x 21"

Fig. 4

Fold fabric in half, right sides together, and sew using a 1/4" seam. Turn and press. Slip stitch opening.

Leave open between large nots
